PolySource delivers both time and cost savings by supplying Australia's widest range of Safety and Engineering Polymer Products. Our 30 years Technical Management in a wide range of Industries guarantees you the right product. First-rate Quality, Technical Expertise and Product Range mean Customers have the best of everything in one Supplier.

Heavy Industries – Mining

The Mining Industry needs Reliable Parts to extend Equipment life.

- PolyTrac Heavy Vehicle Mats
- Flexible Haul Road Posts
- Pulleys, Guides and Rollers
- Impact Bed Parts
- FRP Platform Grating
- Conveyor Components
- Polycarbonate Machine Guards

Municipal – Health

Communities need Safer Hospitals and Facilities.

- Food and Canteen Conveyors
- High Impact Triage Windows
- Protective Wall and Door Fenders
- Steriliser Components
- Bed Wheels and Castors
- Bushes and Bearings
- Bacteria Resistant Wall Panels

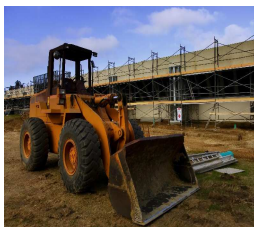

"PolySource reduces the stress of find the right safety and engineering parts. First rate quality and engineering knowledge."

Civils – Construction

Civils need Innovative Engineering Solutions.

- PolyTrac Heavy Vehicle Mats
- PolyGrid Interlocking Flooring
- Roll-Up Heavy Vehicle Mats
- Duct Insulation Spacers
- Mobile Crane Outrigger Pads
- Sound Suppression Panels
- Equipment Wear Parts
- Temporary Site Fence Blocks

Products & Services

- Aussie-Made, Recycled 'PolyTrac' Ground Protection Mats
- Tough Engineering Plastic, Rubber, Polyurethane Parts
- High Performance Teflon, Kevlar and GRP Products
- Conveyor Belts, Chain, Rollers and Pulleys
- Safety Anti-Slip Flooring and Stair Nosings
- Cut to Shape, Pre-Drilled, Machined, Routed

Manufacturing – Maintenance

PolySource products make Processing more Efficient, Safer, and Healthier.

- Food Approved Conveyor Chain, Sprockets and Rollers
- Ultra High Temperature Kevlar Sleeves, Belts and Pads
- Rubber Flooring, Non-Slip Stair Edging, Wall Lining
- Exhaust Duct and Chute Liners
- Machine Guards, Forklift Roof and Battery Covers
- Clear Flexible Forklift Doorways
- High Temperature Bushes, Panels and Washers

Transport – Road, Rail, Air

PolySource knows how to save weight and protect moving parts.

- Vibration Dampeners
- Chassis Packers
- Mobile Crane Outrigger Pads
- Rope and Strap Guides
- Mud Flaps
- Wheel Chocks
- Chute Liners and Splash Curtains
