

# POLYTRAC LAWN PROTECTION MATS

## Want the Best Way to Protect Your Turf? Rely on PolyTrac, the Tough Aussie Ground Mat

**PolyTrac** fixes muddy driveways, damaged lawns, and pathways. This Australian-made mat is lightweight, easy to clean and recyclable.

Forget heavy pavers, expensive concreting or rotting timbers. **PolyTrac** does it all.

Environmental green **PolyTrac** comes in convenient 8 ft and 4 ft lengths.

**PolyTrac Mats** have amazing resistance to Australia's harsh weather, household oils and chemicals. They are unaffected by termites and other household pests.

There's no need to mow around **PolyTrac**. Just go over it. Best of all, it can be easily cut to size.

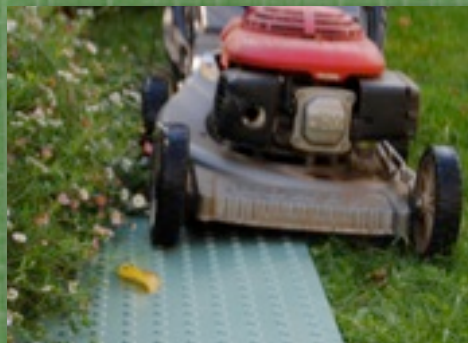

**PolyTrac** has so many uses:-

- Vehicle bog mats
- Outdoor entertainment areas
- Caravan and boat storage
- Garages and workshops
- Camping
- Mowing strips
- Caravan annexes
- Marquee flooring
- BBQ mats
- Weed mat

Why **PolyTrac**?

- 100% Australian-made
- 100% tough recycled plastic
- Environmentally friendly
- Quick and easy
- Lifetime weather resistance

**PolyTrac** handles the heaviest vehicles, yet is gentle on bare feet. Its double non-slip surface prevents accidents.
